Steel 190CC Gas Powered Drive Lift and Tilt All-Terrain Pallet Truck 48 In. Long Adjustable Width Forks 2,000 Lb. Capacity Blue

MODEL ALL-T-2-GPT-L-PT

Ergonomic Solutions / Gas Powered All Terrain Pallet Trucks & Stackers

PRODUCT OVERVIEW

An all-terrain pallet truck with a gas powered drive system is the perfect solution when moving items over uneven surfaces. This pallet truck is great for use at construction sites and landscaping areas. With the use of a tilting fork feature, the products can be positioned to better fit the users' needs. The robust steel construction and wide set outriggers enable the transference of items, both large and small. Steering handle includes multiple controls for user safety.

KEY FEATURES

- Adjustable fork width
- Electric start
- Foam filled tires for added support
- Liquid painted finish
