Galvanized Steel Drop In Tubular Guard Rail Post 42 In. Length Gray

MODEL GR-H2R-DI-TP42-HDG

Protective Barriers / Highway Guard Rail Systems

PRODUCT OVERVIEW

The Tubular post is an addition to the guard rail system. The post is designed with a steel construction for the utmost support strength. The yellow finish allows the post to be both visible and weather resistant. Includes mounting holes on three sides for use as a corner or center post.

KEY FEATURES

- Four pre-drilled mounting holes allows fast and easy installation
- Economical system can be utilized indoors or outdoors
- Heavy-duty design protects corners of buildings and machinery from fork truck and vehicle damage
- Steel offers strong reliable protection
