# Steel Folding Mezzanine Ladder 72 In. Mezzanine Height 24-1/4 In. Step Width 350 Lb. Capacity Blue

**MODEL LAD-FM-72**

Industrial Ladders / Mezzanine Ladders (face mounted/retractable)

## PRODUCT OVERVIEW

The mezzanine ladders are used for infrequent usage to access mezzanines. They are ratcheted into climbing angle and back into stored position. The wheels roll on the ground when ratcheted and the handrails mechanically rise into climb position when ladder locks into position. Quickly extend and retract the ladder. The mezzanine ladder allows for quick installation with mounting bracket provided for bolt-on installation or welded installation. Customer must provide their mezzanine height at time of purchase. Baked-in powder-coated toughness. Meets or exceeds all OSHA requirements. Ships knockdown, some assembly required.

## KEY FEATURES

- Great for condensed work areas
- Treaded step design for sure footing
- Collapsible handrail
- Attached casters provide simple maneuvering
