Heavy Duty Steel Work Bench 30 In. x 72 In. 8,000 Lb. Capacity Blue

MODEL WBT-S-HD-BS-3072

Storage Solutions / Heavy Duty Steel Workbench

PRODUCT OVERVIEW

A heavy duty workbench is perfect for the manufacturing facility or in the personal workshop. A robust steel construction with a hefty 8000 lbs. capacity allows the user to work on a variety of items that are both big and small. The total platform height allows the user to work with the correct ergonomic posture which diminishes workplace slouching. The bottom shelf with a raised back can be utilized as simple convenient storage of items that can be easily gathered as needed. A blue painted finish diminishes abrasions while maintaining a smooth finish for an effortlessly cleanable work surface. The straight tabletop edge allows the workbench to be maneuvered against walls and other platforms evenly without wasted, unused space.

KEY FEATURES

- Platform height diminishes needed bending and twisting
- Smooth finish allows for easy maneuvering of products
- Robust construction to hold heavy oversized items
- Easily use in open space or corners
