Steel Electric Pallet Truck Single Fork 48 In. Length 2,600 Lb. Capacity Black

MODEL EPT-SF-1248-26

Ergonomic Solutions / Electric Pallet Truck with Single Fork

PRODUCT OVERVIEW

An electric pallet truck with a single fork is perfect for half and quarter sized pallets. DC powered with a short turning radius, this unit works well in crowded warehouse and shipping areas. Single handle steering control makes changing direction simple. Powered driving controls are located directly on the handle for user safety. 24V battery gives the truck a steady supply of power throughout its daily use. Powder coated black for a sleek look and a baked-in tough finish. Horn is also included.

KEY FEATURES

- Poly-on-steel casters
- DC powered
- 48" fork length
- Emergency reverse belly switch instantly reverses direction
