Steel Tip N Roll FDA Ladder 58 Degree 5 Perforated 24 In. Step Width 350 Lb. Capacity White

MODEL LAD-TRN-60-5-FDA

Industrial Ladders / Tip-N-Roll FDA Ladders

PRODUCT OVERVIEW

Finish suitable for food-handling applications- the five step square tubular steel Tip-N-Roll ladder has a special FDA-acceptable powder coat white finish that provides a low cost alternative to stainless steel. Rubber feet provided for floor protection. Stainless steel hardware included. When tilted, ladder rolls smoothly on wheels. This ladder has perforated grip steps. Some assembly required.

KEY FEATURES

- Tilt back wheel design provides easy ladder portability
- Top tread design provides a safe non-slip grip
- Rubber feet provide added floor protection
- Heavy-duty formed steel construction offers maximum strength
