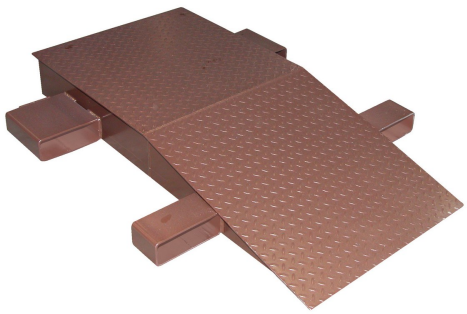
# Steel Wheel Riser 84 In. x 24 In. x 10-1/4 In. 40,000 Lb. Capacity Brown

**MODEL SWR-24-10-84**

Loading Dock Equipment / Steel Wheel Risers



## PRODUCT OVERVIEW

Wheel risers are designed to raise trailers to an appropriate crossover height for loaded fork trucks. Made of heavy-duty welded steel construction, these wheel risers are built to last! Each riser is equipped with fork pockets for easy transportation wherever a fork truck is available. Ramps may be stacked for convenient storage when not in use. Wheel risers are sold and priced as individual units.

## KEY FEATURES

- Ramps can be stacked for compact storage when not in use
- Raised diamond tread plate surface provides a non-slip grip
- Built-in fork pockets allow movement with a fork truck
- Designed for compliance with OSHA/ANSI B56.1 part 3 sec 38
