Steel Manual Bin Compactor 15X13 Gray

MODEL MBC-1513-14

Facilities Maintenance / Manual Trash Bin Compactor

PRODUCT OVERVIEW

You missed trash day and your bin is overflowing; what do you do? Scenarios and ideas abound, but none will be necessary. Why? Because you have the trash bin compactor, that's why. With a simple lever style design, compressing items within the bin is quick and easy. Simply secure the compactor under your bin's lid hinges. With the compression plate positioned above your open bin, pull down on the lever. The pressure of the compactor will make that extra space you were so desperate for! After each use the compactor can hang directly on the bin for simple storage.

KEY FEATURES

- For use with 64 and 95 gallon trash bins
- 14" max compression depth
- Leverage based design
- Built of powder coated steel
